Request for Declassification of Document

1. Per our phone conversation, the report which we wish to use on an unclassified basis is:

Department of the Air Force Report No. 1490846 *(For official use only)*  
Subject: Periodic Report on Aircraft Production  
in the USSR: 62-3; date of report, 6 Apr 62;  
prepared by 1126th USAF FAG, Arlington Hall  
Station, Arlington 12, Virginia.  
Open sources, Soviet, Hungarian, Czecho, and East  
German publications, approved for distribution  
by [REDACTED] project monitor.

2. We wish to cite this document as a source for our derivation of production of civil aircraft in the USSR. The production series and the citation would appear in an unclassified ORR report on industrial production in the USSR with the usual outside distribution. In addition, the estimate and citation would appear in a report on Soviet Industrial Production for the Joint Economic Committee of Congress which would be published as a congressional reprint by the Government Printing Office with wide dissemination. This latter report has been requested by the Joint Economic Committee for a new study of the Soviet economy to be carried out this fall.
